Practice STAR-format stories.

Stories to Prepare (STAR Method):

- Conflict resolution: Tell me about a disagreement with a teammate.

How to answer "Why this role?":

Genuine interest in the company's mission.

Project Talking Points:

1. Capstone project architecture decisions

30-Day Action Plan

Week 1: Resume polish

- Task 1: a reasonably detailed action item description.
- Task 2: a reasonably detailed action item description.
- Task 3: a reasonably detailed action item description.
- Task 4: a reasonably detailed action item description.
- Task 5: a reasonably detailed action item description.
- Task 6: a reasonably detailed action item description.
- Task 7: a reasonably detailed action item description.
- Task 8: a reasonably detailed action item description.
- Task 9: a reasonably detailed action item description.

- Task 10: a reasonably detailed action item description.
- Task 11: a reasonably detailed action item description.
- Task 12: a reasonably detailed action item description.

Week 2: Applications

- Task 1: a reasonably detailed action item description.
- Task 2: a reasonably detailed action item description.
- Task 3: a reasonably detailed action item description.
- Task 4: a reasonably detailed action item description.
- Task 5: a reasonably detailed action item description.
- Task 6: a reasonably detailed action item description.
- Task 7: a reasonably detailed action item description.
- Task 8: a reasonably detailed action item description.
- Task 9: a reasonably detailed action item description.
- Task 10: a reasonably detailed action item description.
- Task 11: a reasonably detailed action item description.
- Task 12: a reasonably detailed action item description.

Week 3: Networking

- Task 1: a reasonably detailed action item description.
- Task 2: a reasonably detailed action item description.
- Task 3: a reasonably detailed action item description.
- Task 4: a reasonably detailed action item description.
- Task 5: a reasonably detailed action item description.
- Task 6: a reasonably detailed action item description.
- Task 7: a reasonably detailed action item description.
- Task 8: a reasonably detailed action item description.
- Task 9: a reasonably detailed action item description.
- Task 10: a reasonably detailed action item description.
- Task 11: a reasonably detailed action item description.
- Task 12: a reasonably detailed action item description.

Week 4: Interview prep

- Task 1: a reasonably detailed action item description.

- Task 2: a reasonably detailed action item description.
- Task 3: a reasonably detailed action item description.
- Task 4: a reasonably detailed action item description.
- Task 5: a reasonably detailed action item description.
- Task 6: a reasonably detailed action item description.
- Task 7: a reasonably detailed action item description.
- Task 8: a reasonably detailed action item description.
- Task 9: a reasonably detailed action item description.
- Task 10: a reasonably detailed action item description.
- Task 11: a reasonably detailed action item description.
- Task 12: a reasonably detailed action item description.
