---

## 4. [Technical] Question number 4 about a moderately complex technical scenario?

*Why they ask: This assesses competency area 4 relevant to the role.*

Strong opener: "A sample opening sentence for answering question 4 in an interview setting."

Tips: Tip 1 for question 4 • Tip 2 for question 4

Avoid: Red flag to avoid for question 4

---

## 5. [Technical] Question number 5 about a moderately complex technical scenario?

*Why they ask: This assesses competency area 5 relevant to the role.*

Strong opener: "A sample opening sentence for answering question 5 in an interview setting."

Tips: Tip 1 for question 5 • Tip 2 for question 5

Avoid: Red flag to avoid for question 5

---

## 6. [Technical] Question number 6 about a moderately complex technical scenario?

*Why they ask: This assesses competency area 6 relevant to the role.*

Strong opener: "A sample opening sentence for answering question 6 in an interview setting."

Tips: Tip 1 for question 6 • Tip 2 for question 6

Avoid: Red flag to avoid for question 6

---

## 7. [Technical] Question number 7 about a moderately complex technical scenario?

*Why they ask: This assesses competency area 7 relevant to the role.*

Strong opener: "A sample opening sentence for answering question 7 in an interview setting."

Tips: Tip 1 for question 7 • Tip 2 for question 7

Avoid: Red flag to avoid for question 7

---

## **8. [Technical] Question number 8 about a moderately complex technical scenario?**

*Why they ask: This assesses competency area 8 relevant to the role.*

Strong opener: "A sample opening sentence for answering question 8 in an interview setting."

Tips: Tip 1 for question 8 • Tip 2 for question 8

Avoid: Red flag to avoid for question 8

---

## **9. [Technical] Question number 9 about a moderately complex technical scenario?**

*Why they ask: This assesses competency area 9 relevant to the role.*

Strong opener: "A sample opening sentence for answering question 9 in an interview setting."

Tips: Tip 1 for question 9 • Tip 2 for question 9

Avoid: Red flag to avoid for question 9

---

## **10. [Technical] Question number 10 about a moderately complex technical scenario?**

*Why they ask: This assesses competency area 10 relevant to the role.*

Strong opener: "A sample opening sentence for answering question 10 in an interview setting."

Tips: Tip 1 for question 10 • Tip 2 for question 10

Avoid: Red flag to avoid for question 10

---

## **11. [Technical] Question number 11 about a moderately complex technical scenario?**

*Why they ask: This assesses competency area 11 relevant to the role.*

Strong opener: "A sample opening sentence for answering question 11 in an interview setting."

Tips: Tip 1 for question 11 • Tip 2 for question 11

Avoid: Red flag to avoid for question 11

---

## **12. [Technical] Question number 12 about a moderately complex technical scenario?**

*Why they ask: This assesses competency area 12 relevant to the role.*

Strong opener: "A sample opening sentence for answering question 12 in an interview setting."

Tips: Tip 1 for question 12 • Tip 2 for question 12

Avoid: Red flag to avoid for question 12

---

## **13. [Technical] Question number 13 about a moderately complex technical scenario?**

*Why they ask: This assesses competency area 13 relevant to the role.*

Strong opener: "A sample opening sentence for answering question 13 in an interview setting."

Tips: Tip 1 for question 13 • Tip 2 for question 13

Avoid: Red flag to avoid for question 13

---

## **14. [Technical] Question number 14 about a moderately complex technical scenario?**

*Why they ask: This assesses competency area 14 relevant to the role.*

Strong opener: "A sample opening sentence for answering question 14 in an interview setting."

Tips: Tip 1 for question 14 • Tip 2 for question 14
